Community Forum – ALICE Safety Protocols

SLCS is hosting a community forum on Wed, Feb. 13, 2019, in the Millennium Middle School Cafeteria. The presentation will begin at 7:00 pm. During this valuable time, the School Resource Officers assigned to SLCS will discuss the [ALICE](#) safety protocols that the District has adopted this year. The school staff has been trained using these protocols and the students have had and will continue to practice age-specific variations to these protocols during the state-mandated safety drills. These protocols are beneficial for all individuals as they can be used in various venues that we utilize as citizens. Please consider attending to learn about these research-proven protocols to empower you and your family.
