Dear Dolsen Families

Report Cards

There is an error on the report card letter you received Wed. April 17, 2019. The user name on the letter should be the full email address.

i.e, **student000@slyon. us**. The letter you received only gives the first half of the email address, namely **student000** as the user name. If you pick your student's name off a list of Google accounts on your computer that are already in use, you will be fine. Otherwise please add the domain @slyon.us to the user name. Our apologies for this inconvenience.

If you are still having trouble seeing the report card, use the Google Form below. Someone will email or call you during school hours to help with this.
