

Welcome back to school!!

We are very excited to kick off this new school year! Attached is the welcome back letter that was included in the Back To School process online in case you didn't have time to completely read it. There is a lot of information included concerning curriculum night, school hours, drop off and pick up procedures, school security and volunteer requirements.

This year we will NOT be sending home emergency cards. The online process takes the place of our previous emergency cards. Please be sure to keep this information up to date throughout the year.

Remember if you plan to volunteer at the school this year you need to fill out the online volunteer form for your background check. It can be found on the [www.slcs.us](http://www.slcs.us) website under the parent and community tab.

If you visit the school during school hours you will be required to buzz into the building after showing your photo id to our camera at the front door. Please come prepared!! The doors are locked at 8:57 and will unlock at 3:50 pm.

Just as last year, look for our Dolsen Discovery that will be sent out electronically on Fridays. New this year, flyers for extracurricular activities will be posted on the [www.slcs.us](http://www.slcs.us) website. Be sure to check periodically to see what is going on outside of school.

We have attached the links that our welcome letter and the school calendar.
