We look forward to seeing you on

NHUMC 56730 Grand River Ave. New Hudson, MI 48165

Our March Forum brings you Thomas (Tom) Lemkau

We are lucky to have Tom speak to us on this night. Tom will share with us his experience with finding his own sobriety. He is also a family member of someone suffering from addiction. He has endured the loss of his brother in 2017. Both views will be covered by Tom on this special evening.

As well on this evening we will have a brief presentation from a local grief support group that has openings to join. We hope you'll come to learn more.

This forum is for you if you are a person in recovery or supporting a person in recovery or if you just want to learn about the risks of addiction.

The loaning library will be open for you to choose a book.

Light refreshments will be served.

As a reminder we meet monthly on the 3rd Thursday of the Month 6:30-8:30 pm
