

Dear Families,

Several families have requested that we supply them with a list of grade level recommended supplies over the summer for their “back to school shopping.” Several parents have shared that the best sales for school supplies occur over the summer and that they would like to purchase these supplies prior to the start of school. Our teachers worked together in grade level teams to create this *Recommended Supply List*. Please remember that these items are recommended and **NOT** required. Happy Shopping!

Kindergarten Community Items Do not label these items.

- Set of division flash cards

Please help us maintain a safe environment at school. When you are purchasing a backpack for the upcoming school year, consider its size. Many of the large backpacks with wheels do not fit into the lockers and prevent the locker doors from shutting properly. During fire drills and tornado drills, the locker doors are open and can cause injury. Your help is appreciated.
