## **4. Principal Report**

Mr. Jackson reported that East will be having Challenge Day on the 13<sup>th</sup> of November and that a lot of volunteers were needed. Sent around a form for volunteers.

Mr. Jackson and Shelly Gagnon spoke briefly about how great an experience Challenge Day is for the students as well as the volunteers.

Anyone interested in helping can get hold of Rebecca Rossen.

## **5. Security Cameras**

Joan wanted to know if there would ever be a time when the school would have security cameras in the hallways and in the back student parking lot. She personally had seen things that worried her in the Student Parking lot. Dr. Pearson said there was no money available for Security cameras and there was no plan to have them in the near future.

Mr. Jackson said there should be a person monitoring the Student parking lot in the mornings and afternoons and he would look into it and make sure there was someone there!

## **6. New Items**

Dr. Pearson told us that there would be new starting times for some SL Schools. Would not affect SLEHS.

Rumors that East would be closing down were addressed by Mr. Pearson and he said that they are “absolutely NOT true”!

A parent voiced concerns about certain AP classes not being available at East. Mr. Jackson said they would do their utmost to offer everything possible. Need to see what the need is first!

Meeting adjourned at 7:50 pm
