

EMPLOYMENT OF LEGAL COUNSEL

The Board may employ an attorney to represent the District or Board in actions brought for or against the District or Board and to render legal services for the welfare of the District. The decision to utilize the services of legal counsel in connection with any particular matter rests exclusively with the Board. Board members shall not seek the advice or services of legal counsel at Board expense without first obtaining the prior approval of the Board. The Board recognizes that there may be cause for two separate legal counsels to represent the Board and District separately.
