

NONDISCRIMINATION AND  
ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY

The Board does not discriminate on the basis of religion, race, color, national origin, sex, sexual orientation, disability or age in its programs, activities or employment.

Further, it is the policy of this District to provide an equal opportunity for all students, regardless of gender, sexual orientation, religion, race, color, national origin or ancestry, age, disability, marital status, genetic information, place of residence within the boundaries of the District, or social or economic status, and/or any other legally protected characteristic, to learn through the curriculum offered in this District.

In order to achieve the aforesaid goal, the Board directs the Superintendent, or his/her designee, to:

A. Curriculum Content

review current and proposed courses of study and textbooks to detect any bias based on any legally protected interest; ascertaining whether or not supplemental materials, singly or taken as a whole, fairly depict the contribution of both genders, various races, ethnic groups, etc. toward the development of human society;

B. Staff Training

develop a program of in-service training for school personnel designed to identify and solve problems of any legally protected interest or other bias in all aspects of the program;

C. Student Access

review current and proposed programs, activities, facilities, and practices to ensure that all students have equal access thereto and are not segregated on the basis of any legally protected interest in any duty, work, play, classroom, or school practice, except as may be permitted under State regulations;

This language does not prohibit the District from establishing and maintaining a single-gender school, class, or program within a school if a comparable school, class, or program is made available to students of each gender.

D. District Support

ensure that like aspects of the District program receive like support as to staff size and compensation, purchase and maintenance of facilities and equipment, access to such facilities and equipment, and related matters;

E. Student Evaluation

ensure that tests, procedures, or guidance and counseling materials, which are designed to evaluate student progress, rate aptitudes, analyze personality, or in any manner establish or tend to establish a category by which a student may be judged, are not differentiated or stereotyped on the basis of any legally protected interest.

The District will accommodate the use of certified service animals when there is an established need for such supportive aid in the school environment. Certain restrictions may be applied when necessary due to allergies, health, safety, disability or other issues of those in the classroom or school environment. The goal shall be to provide all students with the same access and participation opportunities provided to other students in school. Confirmation of disability, need for a service animal to access the school programming, and current certification/training of the service animal will be required.

The Superintendent, or his/her designee, shall appoint and publicize the compliance officer whose responsibility it will be to ensure that Federal and State regulations are complied with and that any inquiries or complaints regarding discrimination or equal access are dealt with promptly in accordance with law. S/He shall also ensure that proper notice of nondiscrimination for Title II, Title VI, and VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, and Section 504 of the Rehabilitation Act of 1973 is provided to students, their parents, staff members, and the general public.

The Superintendent, or his/her designee, shall attempt annually to identify children with disabilities, ages 0-25, who reside in the District but do not receive public education.

In addition, s/he shall establish procedures to identify students who are Limited English Proficient (LEP), including immigrant children and youth, to assess their ability to participate in District programs, and develop and administer a program that meets the English language and academic needs of these students. This program shall include procedures for student placement, services, evaluation and exit guidelines and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English.

As a part of this program, the District will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading and writing, on an annual basis (also see Policy 2225).

The District will endeavor to assist the student and/or his/her parents in their access to District programs.

Materials approved by the State Department of Education describing the benefits of instruction in Braille reading and writing shall be provided to each blind student's individualized planning committee. The District shall not deny a student the opportunity for instruction in Braille, reading, and writing solely because the student has some remaining vision.

The Superintendent, or his/her designee, shall develop administrative guidelines as needed for the proper implementation of this policy.
