

HOMEWORK

Homework may occur at any grade level. When homework is assigned, it should be a worthwhile supplement of the course objectives. It should enrich skills developed in class.

When homework is assigned, it must be meaningful and reviewed or evaluated by the teacher and should not at anytime be punitive. Written homework must be returned to the student in a timely manner so that each student may benefit from the homework assignment.

When a teacher considers individual ability differences among pupils, assignments may differ.
