

STATE AID INCENTIVES

The Board designates the Superintendent, or his/her designee, to review annually the State School Aid Act to determine any programs or incentives that offer additional revenues.

The Superintendent, or his/her designee, shall examine the requirements for each of the programs or incentives to determine which are feasible for this District and provide the Board with the necessary resolutions for those selected.

State School-Aid Act

*Adopted May 19, 2008*
