

COMBINED P.A. 25 ANNUAL REPORT
AND NO CHILD LEFT BEHIND REPORT CARD

The District must prepare and publicly disseminate the combined P.A. 25 Annual Report and NCLB Report no later than the beginning of each school year to all parents of all students. (If separate reports are published for P.A. 25 and for NCLB, the P.A. 25 report must be published no later than the state mandated deadline.) The District and each individual school building will comply with the Michigan Department of Education and Board of Education reporting requirements.

This information must be disseminated annually, not later than the state mandated deadline, to all buildings and all parents, and make the information widely, publicly available through such means as posting on the Internet and distribution to local media and public agencies. The District will endeavor to provide this information in a format community members can comprehend.
