

WITHDRAWAL FROM SCHOOL

The Board affirms that, while Michigan law requires attendance of each student until sixteen (16) years of age, it is in the best interests of both students and the community that they complete the educational program that will equip them with skills and increase their chances for a successful and fulfilling life beyond the schools.

When a withdrawal occurs, Administration will make every effort to determine where the student is continuing their education.

M.C.L.A. 380.1561
