

STUDENTS - SEX OFFENDER REGISTRY AND OTHER CRIMINAL  
CONVICTIONS

**SEX OFFENDER REGISTRY**

Students who are convicted of criminal conduct which requires their listing on the State's Sexual Offender Registry, may be prohibited from participating in activities, including but not limited to the following, as designated in writing by the Superintendent, or his/her designee:

- all extracurricular activities;
- all in-school activities which deal with younger students, such as tutoring, classroom assistance, coaching, etc.;
- after school social activities, such as attendance at school-sponsored clubs, dances, athletic events, musical or theatrical performances, or outside clubs or activities, which meet on school property such as Girl or Boy Scouts, non-school athletics or religious/political groups.

Any exceptions must be confirmed in writing by the authorizing individual, and must specifically state any requirements for participation, such as parental or adult supervision. The writing shall be provided to the parent, student, principal and Superintendent. Exceptions may be revoked at any time, with cause.

The school principal may also adjust the student's classes and schedule to provide for adequate supervision and student safety during the school day.

Additional restrictions on in-school activity and student contacts may be implemented by the building's principal, with approval from the Superintendent, or his/her designee. Such restrictions shall be based on student/school safety and/or maintaining an appropriate educational environment. Restrictions will be in writing and provided to the student, parents/guardian and those staff with a need to know.

Such students shall only be on school premises as necessary for normal instructional purposes, or as permitted under any exceptions granted by the District. Students shall not arrive earlier than necessary and shall leave promptly upon completion of their approved attendance.

**OTHER CRIMINAL CONVICTIONS**

Students who have been convicted of a crime shall be reviewed by the District administration for possible limitation of school related activities consistent with the nature of the crime and the interest of the District in maintaining school safety. Based on the severity of the related crime(s) a recommendation for Board review may be requested by the Superintendent.

**CHARGES PENDING**

For students pending the outcome of criminal or sexual misconduct charges, the following will be reviewed with regard to restrictions and participation:

Would the student have been expelled or suspended from South Lyon Community Schools for the same or similar conduct?

Is there a pattern of similar infractions either in school or out of school?

Has the student been criminally prosecuted previously?

Would the student's participation be a detriment to the health, safety and welfare of others?

Would the student's participation create a risk to the District or individual liability for the Board or District personnel?
