

CORPORAL PUNISHMENT VERSUS APPROPRIATE USE OF REASONABLE  
PHYSICAL FORCE

\*In accordance with State law, corporal punishment shall not be permitted.

Corporal punishment is the deliberate infliction of physical pain by hitting, paddling, spanking, slapping or any other physical force used as a means of discipline. Corporal punishment does not include physical pain caused by reasonable physical activities associated with athletic training.

A person employed by or engaged as a substitute, volunteer or contractor by the District shall not inflict or cause to be inflicted corporal punishment upon any student, and shall not threaten the use of corporal punishment upon any student, under any circumstances.

A person employed by or engaged as a substitute, volunteer or contractor by the District may use reasonable physical force upon a student as necessary to maintain order and control in a school or school-related setting, for the purpose of providing an environment conducive to safety and learning. In maintaining that order and control, the person may use physical force upon a student as may be necessary:

- A. to restrain or remove a student whose behavior is interfering with the orderly exercise and performance of school district functions within a school or at a school-related activity, if that student has refused to comply with a request to refrain from further disruptive acts;
- B. for self-defense or the defense of another;
- C. to prevent a student from inflicting harm on himself/herself;
- D. to quell a disturbance that threatens physical injury to any person;
- E. to obtain possession of a weapon or other dangerous object upon or within the control of a student;
- F. to protect property.

In the event that a person employed by or engaged as a volunteer or contractor by the District is accused of using or threatening the use of corporal punishment, the building administrator will investigate the allegation. If it is determined that an incident of, or threat of, corporal punishment did occur, the building administrator will make a recommendation of appropriate disciplinary action to the Assistant Superintendent for Administrative Services, including possible criminal assault charges.
