

SCHOOL SPONSORED EVENTS

The Board recognizes the value of school sponsored events in enhancing and enriching the educational experience for the children of this community.

The District will make school facilities available per Policy 9250 - Community Use of District Physical Resources.

School sponsored events which take place outside school facilities must be approved by the Building Principal.

All students at school sponsored events, whether participants or spectators, shall be held responsible with the rules set forth for their conduct, and infractions of those rules will be subject to the same disciplinary measures applicable during the regular school program. The District endorses the MHSAA Sportsmanship Expectations and all students shall be expected to comply with these guidelines. All student participants are further expected to comply with the extracurricular code of conduct.

In order to ensure that students attending as nonparticipants are properly safe-guarded, the Board recommends that all elementary and middle school students be accompanied by a parent/guardian or adult chaperone when they arrive at the event and throughout its duration, unless otherwise noted. The Board will not be responsible for students if they attend without an adult chaperone.

The District will provide supervision for students who are participants in District-sponsored events.

Participation in school sponsored events is a privilege and may be denied to any student who has demonstrated disregard for the rules of the school.
