

INDEMNIFICATION OF BOARD MEMBERS

The District shall defend, hold harmless and indemnify each Board member from any and all demands, claims, suits, actions and legal proceedings brought against the Board member in his/her individual capacity, or in his/her official capacity as a member of the Board of Education, provided the incident arose while the Board member was acting in good faith within the scope of his/her authority and in the interest of the School District. The District shall not, however, be required to pay any of the costs associated with such demands, claims, suits, actions or legal proceedings in the event the interests of the Board member and the District are adverse with respect to it.

The Board may purchase necessary liability insurance to protect itself, its officers and agents from any loss for which the Board would otherwise be responsible under this policy.
