

PROPERTY DAMAGE AND VANDALISM

The District recognizes its responsibility to the community to safeguard District buildings and other property. Damage to District buildings and/or property whether vandalism or negligent behavior is prohibited. In all instances of property damage and/or vandalism, the District will seek restitution from the student/parent or guardian. If necessary, law enforcement will be involved, and restitution sought through legal proceedings. The Student Code of Conduct shall be implemented, which may include a recommendation to the Superintendent for a Board Disciplinary Hearing. Administrative guidelines shall be developed to implement this policy.
