

SELECTION OF AN ARCHITECT

The Board shall comply with current law for the selection of an architect for the District's building plans.

The Superintendent, or his/her designee, will make contacts with qualified architectural firms requesting a submission of information concerning their firms if they wish to be considered.

Upon receiving a recommendation from the Superintendent the final candidate(s) shall make a formal presentation to the Board.

The Superintendent, or his/her designee, shall negotiate a contract with the final candidate recommended for approval to the Board.
