

FREE AND REDUCED-PRICE MEALS

The Board shall provide eligible children with breakfast and lunch at a reduced rate or at no charge to the student.

Children, eligible for free or reduced-price meals, shall be determined by the criteria established by the Child Nutrition Program. These criteria are issued annually by the Federal government through the State Department of Education.

The District shall annually notify all families of the availability, eligibility requirements, and/or application procedure for free and reduced-price meals by distributing an application to the family of each student enrolled in the school and shall seek out and apply for such Federal, State, and local funds as may be applied to the District's program of free and reduced-price meals.
