

GIFTS TO SCHOOL

Public gifts to the District must be accepted by the Board. When purchased by a South Lyon Community Schools organization, i.e., PTO, Boosters, etc., the Board authorizes the Superintendent or his/her designee to accept the gift.

Upon acceptance, all gifts will become the property of the school district. Only gifts deemed to be in the best interest of the District will be accepted. Any gift presented by an individual, group or organization to a building, department or operational segment of the District will be used for the purpose intended, whenever possible, but the ultimate ownership rests with the District. Contributions may not be limited or restricted by the donor in any way contrary to federal law.

If the donor requests anonymity, the donor's identity shall be revealed only to the Superintendent and to the Board, and shall not be made public. Gifts will not be accepted without the Board's knowledge of donor identity. All gifts and donations accepted by the Board will be acknowledged.
