

**Modified "green" option**

Close Salem

Using the sections from the Salem #1 model:

Move the Salem eastern boundary to Sayre (66 students)

Move the Salem central boundary to Bartlett (125 students)

Move the Salem western boundary to Brummer (71 students)

Then do some smaller changes to meet target #'s and leave room from growth...again using areas and #'s from the Salem #1 option from Mr. Casey

Move the 11 mile (north) – Spalding area from Hardy to Dolsen (61 students)

Move the 11 mile – Milford area from Hardy to Dolsen (11 students)

Move the Emelbe-Trebor area from Kent Lake to Dolsen (15 students)

Move the Merrie Meadow area from Kent Lake to Brummer (15 students)

School	Target student #	2010/2011 grades 1-5	Modified "green" option
Bartlett	391	273	398 (+7)
Brummer	443	349	435 (-8)
Dolsen	364	275	362 (-2)
Kent Lake	443	489	459(+16)
Salem	-	262	-
Sayre	521	439	505 (-23)
Hardy	443	518	446 (+3)

Students moved from Salem = 262

Students moved other than Salem = 102 (down from 256 in Salem #1 model)

Students moved to different start time = 206 (down from 214 in Salem #1 model)

191 students go from late- to- early start and 15 go from early to late
