School Improvement/NCA

- Mrs. Cooper presented Bartlett's Annual report for 2010-11 school year. She expressed how very proud she is of our students and staff for receiving all A's on the State of Michigan School Report Card. The annual report can be found on Bartlett's web site and hard copies of the report are available in the school office.
- The MEAP testing window is October 11 through 19. Please make sure your child gets plenty of rest and a good breakfast before coming to school!
- From our data comes a district and building goal to narrow the achievement gap between our high and low achieving students. For the purposes of this goal, providing support for special education students will be the focus of our efforts.
- We are "going green!" Please fill out the blue electronic communication form and return it to the office. The forms were available at Curriculum night and are available in the main office.
