

South Lyon East High School
SIP Meeting Minutes
September 29, 2010

Present:

Administration: Larry Jackson;

Staff Members: Gail Joslin, Denise Brandon

Parents: Laura Hogan

Students: 9th – Mackenzie Gillis

10th – Christine Appicelli, Amanda Lemming

11th – Leah Nonis

12th – Darcie Cordes, Kacey Felts

Meeting called to order at 2:35. p.m.

OLD BUSINESS

Cell Phone Use:

Darcie presented her proposal for the use of cell phones during lunch hours to the committee for review. The committee endorsed the content of the proposal and gave permission to Mr. Jackson to “clean it up” grammatically and then present it to the Policy Committee.

The proposal was discussed with Dr. Pearson, when he stopped by, and the committee summarized the discussion on the topic that took place at the last meeting. He stated that the policy would have to be accepted by both high schools.

Advance Ed/NCA Visit:

Gail Joslin summarized the two days of visits from the accreditation team. It was a very successful meeting, the team was very impressed with our students, staff, parents, and the building itself. They presented us with a summary exit report. We will receive a complete report in 30 days. The team highlighted three commendations and three recommendations. Mrs. Joslin had these posted on the board for the committee to see.

The team spoke highly of the students, and the climate and culture of our school. They were impressed with the mentor program, the tardy policy, and Cougar Hour.

NEW BUSINESS

Homecoming:

The PTSO is once again hosting the Taste of Homecoming. Several food vendors will be here, in addition to games and activities, as well as the school store (Cougar Closet) which will have their inventory outside.

The parade is all set. Mr. Jackson has spoken to the builder in the subdivision for permission to hold the parade, and Darcie will be placing the signs at the subdivision entrance.

The pep assembly will have some new activities and prizes. It will be held the last hour using a Cougar Hour type schedule in order that all classes still meet.

The tickets for the dance are selling well. The students are looking forward to the dance.

NHS Induction Ceremony;

NHS induction will be October 13. Students should have received their letters in the mail for this ceremony.

Academic Letter Awards Dinner:

This will be held on Sunday, October 17. Letters for this event went out today.

OTHER

Mr. Jackson asked the committee to start thinking about ideas for an activity to replace the Winterfest Dance. He would like this on the agenda for next month's meeting.

Respectfully submitted,

Laura Hogan
