Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Sayre Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP), and teacher quality. If you have any questions about the AER, please contact me for assistance.

The AER is available for you to review electronically by visiting the South Lyon Community Schools website (www.slcs.us) and following the link provided, or you may review a copy available in the Sayre Elementary School main office.

For 2010-2011, Sayre Elementary School made Adequate Yearly Progress (AYP) in English language arts and mathematics and also received an overall grade of A from the Michigan Department of Education. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff, and our community in this effort.

State law requires that we also report the following additional information.

Student Assignment

All students within the South Lyon Community Schools are assigned to schools based upon residency within the geographic boundaries determined by the district. At the elementary school level, students whose academic programming needs qualify them for special education services provided by our district's Cognitively Impaired program attend Hardy Elementary School regardless of geographic residency; students whose academic needs qualify them for the academically talented program attend Bartlett Elementary School regardless of geographic residency. Sayre Elementary School is an inter-district School of Choice (under section 105 and 105C) for students who live outside of South Lyon and want to receive an exceptional education in the South Lyon Community Schools.

School Improvement Plan Status

The AdvancEd/NCA accreditation process is firmly embedded in the Sayre Elementary School continuous School Improvement Process. This process provides a solid framework for increasing student achievement at Sayre Elementary School. In December 2009, Sayre participated in a Quality Assurance Review (QAR) and was fully accredited. The QAR team commended Sayre parents and teachers for their shared leadership and support of the school's purpose of continuous learning for all; the immersion of teachers in the ongoing process of using data to inform instruction and increase achievement; and our culture of professional learning, mutual respect, collaboration, shared leadership, and hard work. Since the QAR, we have begun a new cycle of the accreditation process and school improvement. In 2010-2011, Sayre staff members continued to address our three goal areas and the recommendations made by the QAR team.

Sayre Elementary School Mission Statement

The Sayre community will provide a safe learning environment where staff, students, and parents work together to motivate the highest achievement for every child. We are committed to fostering respect and acceptance, encouraging creativity, promoting critical thinking, and developing life-long learners.

Core Curriculum

The elementary school curriculum is aligned with Standards and Benchmarks of the Michigan Curriculum Framework as well as the state Grade Level Content Expectations (GLCEs). For a copy of our curriculum or for more information, you may contact me or our district department of Curriculum, Instruction, Technology, and Assessment (CITA).

Parent-Teacher Conference Attendance

During 2009-10, 520 out of 527 students were represented at conferences for an attendance rate of 99%. In 2010-11, with 536 students, we had representation for 523 students at conferences for an attendance rate of 98%.

At Sayre Elementary School we are very proud of the hard work and achievement of our students, the dedication of our outstanding staff, and the continuing support of our parents and community.

Sincerely,

Jennifer M. Murphy
Principal
