

Hi All,

October 13, 2017

I was able to get an email address for me through South Lyon Schools. This email address will be used to communicate about the High School Science Olympiad club.

For now, we have scheduled Science Olympiad meetings for Fridays in room 2201. It is a project studio like 2401 with a similar set up. I have attached the event selection and we need to finalize this at the next meeting. Also, you will find a link to a Google form for invitational dates. I would recommend that we go to 5 invitational tournaments prior to our Regional Tournament. These tournaments give plenty of practice and experience for competing at the Regional Tournaments.

Fill out Google Form displayed in the link below.

<https://goo.gl/forms/RPXGcFzyBX25Vob92>

Feel free to share this information with others.

Saturdays we can't meet at the school so we will have to find a different venue. We will discuss this at the next meeting. Parents are encouraged to attend the next meeting on Oct 13th.

Just like any other clubs, parenteral involvement makes a huge difference. We are in a need for more parent volunteers, contact me if you are interested in mentoring, or help with organization, invitational tournaments, etc.

See below the link for joining Remind:

<https://www.remind.com/join/slehss>

Here are the Fridays scheduled from, 3:30-7:00pm:

September 29  
October 6, 13, 20, 27  
November 3, 10, 17  
December 1, 8, 15, 22  
January 12, 19, 26  
February 2, 9, 23  
March 2, 9, 16, 23

You'll notice a handful of Fridays are missing, and that is due to Thanksgiving, Winter, Mid-Winter, and other breaks.

Thank you,

Dipal Parikh,

SLEHS Science Olympiad, Head Coach
