

FOR IMMEDIATE RELEASE

OAKLAND SCHOOLS TECHNICAL CAMPUSES HOLDING OPEN HOUSES  
IN NOVEMBER, JANUARY AND MARCH

Parents and Students Encouraged to Check Out Unique Programs Offered for High School Students

Waterford, MI - November 3, 2011 - It's never too early for middle and high school students to consider plans for their junior and senior years, including the option of attending one of the Oakland Schools Technical Campuses (OSTC). Parents and students are invited to attend an open house at the Northeast Campus (Pontiac) on November 10 from 5 to 8 PM. Open houses at the Northwest and Southwest campuses will be held in January. An open house at the Southwest campus will be held in March.

There's something for everyone at OSTC, thanks to a rigorous curriculum and classes geared to all students interested in pursuing postsecondary education and/or 21st Century careers. Oakland County high school students will want to stop by one of the four Technical Campuses to learn more about training, postsecondary education and careers in:

- Biotechnology and Environmental Science (NW, SE, SW)
- Business Management, Marketing, and Technology (all campuses)
- Construction Technology (NE, NW, SE)
- Culinary Arts/Hospitality (all campuses)
- Engineering/Emerging Technologies (all campuses)
- Health Sciences (all campuses)
- Human Services/Cosmetology (NE Campus only)
- Oakland Schools Vehicle Design and Engineering Academy (NE, SW)
- Transportation Technology (all campuses)
- Visual Imaging Technology (NW, SE, SW)

Please mark your calendar for one of the following opportunities to learn more about OSTC:

- Northeast Campus (1371 North Perry, Pontiac, MI 48340; 248.451.2700), Thursday, November 10, 2011, 5-8 PM
- Northwest Campus (8211 Big Lake Road, Clarkston, MI 48346; 248.922.5800), Thursday, January 12, 2012, 4:30-7:30 PM
- Southwest Campus (1000 Beck Road, Wixom, MI 48393; 248.668.5600), Thursday, January 26, 2012, 5-8 PM
- Southeast Campus (5055 Delemere Street, Royal Oak, MI 48073; 248.288.4020), Thursday, March 8, 2012, 5-8 PM

Interested students are encouraged to bring their parents with them. Oakland County high school students are eligible to enroll at any OSTC at no cost to them or to their home school districts because of a countywide millage. The Open Houses will showcase the many academic and technical offerings and will also provide information about academies, college credit, and enrichment programs such as the Oakland County Competitive Robotics Association (OCCRA) and the FIRST robotics teams.

For more information about the many exciting program offerings at the four Oakland Schools Technical Campuses, please visit our website at [www.ostconline.com](http://www.ostconline.com).
