

Presenter: Joe Salvatore,
Director at the Science Learning Center
(SLC) - University of Michigan

USING STUDY GROUPS AS STUDY TOOLS

One of the most effective learning strategies is the study group. This workshop will provide pre-college students and parents with a model for creating study groups with information about the benefits, potential challenges, and best practices.

Tuesday, October 17, 2017

6:30-8pm

*RSVP: Salem-South Lyon District Library 248.437.6431
