BOARD OF EDUCATION**

**SPECIAL MEETING  
(Superintendent's Conference Room)**

**May 25, 2016  
10:30 a.m.**

**AGENDA**

1. CALL TO ORDER

2. ROLL CALL

3. PUBLIC COMMENTS

4. 2015 BOND PROJECT – BP-3 ATHLETICS IMPROVEMENTS

Background Information: After removal of the existing turf fabric at the South Lyon High School football field, it has been determined that the stone base for the synthetic turf field no longer drains and needs to be replaced. The proposed solution is to remove the top six inches of stone materials and re-install a coarsely graded, washed stone with a topping layer of manufactured, finer graded stone mixture. The proposed scope of this work from Sprinturf is \$152,135.

Recommended Action: Approve the quote of \$152,135 to Sprinturf.
