

PROFESSIONAL STAFF CONTRACTS

All individual probationary and tenure contracts of employment with members of the instructional staff shall be in writing and signed by the teacher and the Superintendent, or his/her designee, as authorized by the Board.

After a teacher has successfully completed his/her probationary period and has earned tenure, the Board shall enter into a continuing contract with the teacher. The continuing contract shall remain in full force and effect until the teacher's letter of resignation or retirement is accepted by the Board or its representative, or until the teacher is dismissed. A teacher under continuing contract shall receive and execute an annual salary addendum reflecting his/her compensation for the ensuing school year.
