

EMERGENCY CLOSINGS

The Superintendent, or his/her designee, is authorized to close the schools in case of inclement weather or other emergency, which makes it unsafe for students to attend school. If a school is closed, all daytime or evening school athletic, extracurricular and other events will also be cancelled for students regardless of the event location. All non-school events which are scheduled to take place in that school building will be cancelled. The Board authorizes the Superintendent, or his/her designee, discretionary powers with regard to event scheduling.

The Superintendent, or his/her designee, may delay the opening of school(s) in case of fog, ice or other emergency situations until such hour as it is anticipated conditions are safe. The Superintendent, or his/her designee, shall provide appropriate notification.

The Superintendent, or his/her designee, will require all building principals to establish and publish emergency procedures. Procedures will be reviewed prior to the opening of school every year.

Students will not be dismissed and will be directed to appropriate shelter locations during tornado warnings.
