

SPONSORSHIPS

BLESSINGS IN A BACKPACK

Please consider participating in our 2nd Annual Golfing "Fore" Backpacks outing. This is our signature event to raise funds to provide food to hungry school children during the weekends. Please take this opportunity to play one of the top public local courses in Michigan. There are many other opportunities for you to participate; become a sponsor, attend dinner, or just make a donation. With your support, proceeds from the event will benefit the Blessings in a Backpack program for school aged children in the South Lyon community.

THE COMMUNITY FOUNDATION OF GREATER ROCHESTER was established in 1983 and is committed to enhancing the quality of life for citizens in the Greater Rochester area by providing leadership in building community endowments and local grantmaking. The Foundation serves as a catalyst for change, a partner with other local groups and a resource to provide solutions for current and emerging community needs.

Blessings in a Backpack

Feeding The Future Of America®

BLESSINGS IN A BACKPACK OVERVIEW

- Blessings in a Backpack is a "neighbor-helping-neighbor" program that is designed to help meet the nutritional needs of children and families.
- Each week, volunteers distribute backpacks filled with enough non-perishable food for the weekend (six meals) to "at-risk" students.
- While it seems unlikely the children in an affluent county like Oakland would go to bed hungry on weekends, in reality, between 4% and 88% of the students in the school districts are at risk. South Lyon has 1,189 children who qualify for this program.
- The goal of the Blessings in a Backpack program is to keep these students from going hungry on the weekends and remove barriers to academic success.
- The South Lyon program is currently serving 7 elementary schools and will add an 8th in the fall. We serve approximately 275 children.

BENEFITS OF THE PROGRAM

- Research shows that healthy, well-nourished children learn better, are more likely to attend school and are able to take advantage of educational opportunities.
- This program is making a difference in the lives of children. Results we have seen are:

Test Scores Improved	45-54%
Increased Attendance	23-48%
Greater Attention Spans	25-35%
Improved Class Atmosphere	35-44%

SPONSOR A BACKPACK

- We are able to purchase food at a reduced rate. Your donation of \$100 will provide a backpack and food to one child each weekend for an entire school year! All money donated is tax deductible through the 501(c)(3) status of the Community Foundation of Greater Rochester..
