**Program Description:**

Bring your child and explore music and movement activities that promote learning and fun! Using songs, finger plays, dance, games and simple toys, you will learn how to make movement a part of your child's daily routine while enhancing growth and development. Don't miss this opportunity to learn from our experienced and enthusiastic therapists!

**Audience:**

These free classes are for one and two year olds who are **already walking**, and their parents or caregivers.
