- The committee approved each revised goal and also voted to present the entire package of goals to the School Board at the February 6th meeting for information.
- Melissa Baker invited all members of the Strategic Planning Committee to attend the February 6th Board meeting and asked for one or two volunteers from each subcommittee to speak about their goal at that meeting.
- Melissa also outlined the anticipated timeline: February 6th Board meeting for information and March 6th Board meeting for action on the goals; development of implantation plans in the spring with anticipated presentation to the School Board in May/June; implementation to begin in fall 2017.
- Strategic Planning Committee members may be tapped as resources to assist with the implementation planning. Melissa thanked everyone for their hard work to date and their continuing support as we move forward.
