

AP Registration 2016-2017 School Year

Taking the Advanced Placement exams is an important part of all AP courses. South Lyon High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition.

For the 2017 AP exams, students at South Lyon High School will be registering online. This registration will take a few minutes and can be completed from any computer with internet access.

This year each AP exam costs \$93.00. South Lyon High School desires that every student be able to take their AP exams. Students requiring financial assistance should contact Mrs. Sarah Hester, Hesters@slcs.us, in the South Lyon High School to learn more.

Online Exam registration will begin on Tue, Feb 28, 2017 at 3:00p.m. and end on Fri, Mar 17, 2017 at 11:00 PM. In order to register, students should click on the link provide on the school website or visit www.TotalRegistration.net/AP/233470 to register. To complete registration, students must answer all of the required questions. **Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end.** We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.

South Lyon High School is excited to offer families the convenience of paying exam fees online at the time of registration. Please be sure to have a **credit card or debit card available before beginning registration, but you are able to pay with check.** Paying online is a great way to make sure that payment has been made while avoiding mailing payment.
