Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for Dolsen Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact me for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/zhkyF5> or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given. Dolsen Elementary School has not been given one of these labels.

While the overall performance of students at Dolsen was strong, we strive for continuous improvement for all students and a narrowing of achievement gaps in subgroups through the use of the workshop instructional model and targeted literacy strategies. These interventions by our highly qualified teachers are also described further in our School Improvement Plan. Additional individualized support is provided to English Language Learners and students who have IEPs (Individualized Education Plans).

State law requires that we also report additional information:

## Student Assignment

All students within the South Lyon Community Schools are assigned to schools based upon residency within the geographic boundaries determined by the district. At the elementary school level, students whose academic programming needs qualify them for special education services provided by our district's Cognitively Impaired program attend Hardy Elementary School regardless of geographic residency; students whose academic needs qualify them for the academically talented program attend Pearson Elementary School regardless of geographic residency. In 2016-17 Dolsen Elementary School was an inter-district School of Choice (under section 105 and 105C) for students who live outside of South Lyon and wanted to receive an exceptional education in the South Lyon Community Schools. While there were only very limited openings available in the building for 2017-18, Dolsen will again be accepting 105 and 105C student School of Choice students for the upcoming 2018-19 school year.

### School Improvement Plan Status

The AdvancEd/NCA accreditation process is firmly embedded in the Dolsen Elementary School continuous School Improvement Process. This process provides a solid framework for increasing student achievement at Dolsen Elementary School. Dolsen completed a successful External Review in the winter of 2016. Dolsen is fully accredited in all five standards required by AdvancEd. Our SIP committee, which also serves as our NCA steering committee will remain committed to increasing student achievement by adhering to the standards set by our school improvement goals.

Our next formal external review will be scheduled in the 2020-21 school year. During the 2018-2019 school year, the Dolsen staff will continue to monitor progress on our school improvement goals by gathering and analyzing student achievement data. As appropriate, we will add or modify instructional strategies. In addition, we will continue to be engaged in professional learning activities to embed the expectations of the Common Core State Standards. We will also continue with targeted literacy initiatives. For a copy of our school improvement report or for more information, please contact the office at Dolsen Elementary School.

### Core Curriculum

The elementary school curriculum is aligned with Standards and Benchmarks of the Michigan Curriculum Framework as well as the Common Core State Standards. South Lyon Community Schools is executing the Common Core State Standards. This work is being facilitated by the district's curriculum coordinators in collaboration with teachers serving on the Subject Area Curriculum Committees. For a copy of our curriculum or for more information, you may contact the Dolsen office or our district department of Curriculum, Instruction, Technology, and Assessment (CITA).
