

Dear Families,

These lists are the *suggested* supply list for each grade for you to have if you plan on taking advantage of the summer back to school sales. The teams of teachers at each grade level met to create these lists. Again, these lists are just recommended and are not required for any student. Have a wonderful summer and happy shopping!

Please help us maintain a safe environment at school. When you are purchasing a backpack for the upcoming school year, consider its size. Many of the large backpacks with wheels do not fit into the lockers and prevent the locker doors from shutting properly. During fire drills and tornado drills, the locker doors are open and can cause injury. Your help is appreciated.
