Welcome Freshmen—Class of 2023
SLEHS has a special program to welcome our 9th grade students and parents this year. 9th grade registration and orientation will take place on Tuesday, August 20, 2019 from 8:30 a.m.—2:00 p.m. Students should arrive promptly at 8:30 a.m. During this time, students will get their pictures taken, schedules, and participate in the L.E.A.D. Mentor program. This program will allow the students to locate their classes, their locker, the Media Center, athletic facilities, various offices and other key places.

- Students should plan to attend the entire program.
- Lunch will be provided for students.

SCHOOL PICTURES
All students, seniors included, must have pictures taken for ID cards. Students should come to registration prepared to have their picture taken. Hats may not be worn in school pictures. Information on prices for picture packages is available on our website. Students wishing to purchase school pictures must pay for them at the time they are taken.

EMERGENCY INFORMATION
Please verify or make corrections to the emergency information in Skyward via the online registration process as completely as possible, with home and work phone numbers, doctor’s name and telephone number, and the names and numbers of friends or relatives we can contact in an emergency if parents cannot be reached. Please include your cell phone numbers. Please give us as much information on how to contact you during the day.
COLLEGES VISITING SLEHS

Each fall, colleges visit SLEHS to meet with interested students and share information about their school and the application process. The visit schedule will be posted in Student Services, promoted on the Student Announcements and shared via tweet and Facebook. Students are instructed to sign up in Student Services in advance of the scheduled meeting. These visits are open to both Juniors and Seniors.

COLLEGE BOUND SENIORS

Here’s a checklist to help you sort through the maze of college choices:

1. You will meet with your guidance counselor in September (the Senior Exit Interview) to discuss your progress toward graduation and your plans for the following year.

2. Sign up to meet with college representatives who visit SLEHS each fall. Plan to attend College Fairs held at nearby community colleges. Dates and times are available in Student Services.

3. Your SAT score from the MME is a college reportable score that has been sent to the schools you specified on your registration form. If you decide to either retake the SAT or take the ACT, be sure to code the registration form to have your scores sent to the colleges to which you plan to apply. Requests for scores to be sent to other schools can be done through www.collegeboard.org or www.actstudent.org.

4. Apply online then request your transcript to be sent through www.parchment.com. Submit your applications in the fall—even if you have not retaken the ACT or SAT. Colleges will evaluate your application and hold their decision until they receive your test scores. Don’t wait until you have taken your entrance exam to apply to colleges. Do it NOW!

5. Begin your scholarship search. Log on to one of several free scholarship database search engines. Check out the “Scholarship Book” in Student Services and contact college financial aid offices to ask about scholarship programs they administer.

Attend the annual Financial Aid night on September 19, 2019 to learn tips on how to complete the Free Application for Federal Student Aid.

1. Be sure to let your counselor know your final college choice!

VISIT THE CAREER CENTER

All students are encouraged to make use of the Career Center located in Student Services. Our Career Development Facilitator, Mrs. Ann Couyoumjian, works individually with students to identify career interests and aptitudes, as well as post-secondary opportunities. In the Career Center’s small computer lab, students will use a variety of programs to expand their knowledge of themselves, their preferences and their educational options. Students must sign-up for an appointment with Mrs. Couyoumjian in Student Services.

STATE MANDATE: DUAL ENROLLMENT

Dual enrollment is an educational option for high school students. Student’s may officially be enrolled in one or more college/university classes. These classes may be taken for high school and college credit. Eligible students must be qualified for endorsement in all subject areas of the PLAN (pre-ACT exam) or the Michigan Merit Exam. See your counselor in Student Services for additional information or to schedule courses.
Last spring, all students were asked to carefully select their schedules. With that information, nearly a month was spent developing and perfecting a master schedule for all of our students. Therefore, our high school is hesitant in making schedule changes once the school year has begun. Request for changes in course selection to accommodate lunch preferences, teacher changes, or grade point average consideration will be denied.

The only conditions under which changes will be considered are listed below. Please indicate by a checkmark which reason necessitates the change you are requesting. Secure the necessary signatures and submit this form to your counselor when you come to request a schedule change.

“CURRICULUM NIGHT”
A NIGHT FOR PARENTS

On Wednesday, September 11, 2019, beginning at 6:30 p.m., and concluding at 8:30 p.m., parents and guardians are invited to meet their students’ teachers and visit their classrooms. This “Open House” is a great time to establish contact with your student’s teachers and learn all about the classes and course expectations. If you forget your student’s schedule, additional schedules will be available in the high school commons.

FREE OR REDUCED LUNCHES

Any time during the year that there is a change in your income which you feel may qualify your student for free or reduced meals, please feel free to fill out an application. Applications are available on our website. Please be assured that students receiving free/reduced meals are kept confidential. Students who pre-pay are on the same list and your student only informs the cashier of his/her name. If you have questions, or need help in filling out the application, please call Cherie Trent, Manager of Food Service at (248) 573-8925.

IMMUNIZATION INFO

The Michigan Department of Health and Human Services and Michigan Law requires that students have, by the first day of school, either a certificate of immunization on file validating that he/she is up to date on school required immunizations or a valid immunization waiver. The only valid waivers are medical waivers signed by the student’s physician or a non-medical waiver signed and stamped by a local health department.

ADDRESS CHANGES

If your address has changed, the school requires 2 proofs of residency noting the change. If the change has not been made with South Lyon Community Schools prior to registration, you will need to bring these proofs of residency to registration. During the school year, this can be taken care of in the Attendance Office.

CONTINGENCY PLAN

Occasionally, school districts have to send students home early due to weather conditions, power outages, boiler failures and so on. Please discuss this possibility with your student and devise a plan for him/her to follow. Your plan might involve going straight home, or you may have a student who is going to take care of younger children until you get home. Please make sure your student knows the plan and follows it for their safety and your peace of mind.

SCHOOL COMMUNICATIONS

Our primary means of communication will be electronic. Paper copies of some communications will be made available only if requested. Semester and year-end report cards will still be mailed home. If you have any questions, please contact our main office at 248-573-8700. As our primary means of communication will be electronic, it is imperative that you provide us with accurate, e-mail addresses for all parents/guardians. Email addresses can be updated in Skyward.

ATTENDANCE GUIDELINES

Absences are cumulative for the entire semester. On the occasion of each unexcused absence, the Attendance Office will send a Skylert message for an unexcused absence to the parent. Good Attendance is critical for each student’s academic success. See Board Policy 5200 on Attendance under the Board of Education Policies in this handbook or on our website at www.slcs.us.
Board Policy #9230—District Volunteers

The South Lyon Community School District greatly appreciates the support of our families and the involvement of parents/guardians as volunteers through the CHEERS program. It is important that we follow Board Policy 9230 (District Volunteers) which states that, “Any person who volunteers to work with the District shall be screened annually through the Internet sites for the Sex Offenders Registry (SOR), the Internet Criminal History Access Tool (ICHAT) criminal history records check and/or the Offender Tracking System (OTIS), prior to being allowed to participate in any activity or program.” It is also important to remind all volunteers that they shall agree to abide by all Board Policies and District Guidelines while on duty as a volunteer. If you would like to serve as a volunteer, you are required to complete the Volunteer Background Check Authorization form which can be found on the district website www.sles.us. This process must be repeated annually.

GRADUATION—CLASS OF 2020 CAP AND GOWN INFORMATION

On October 16th a representative from our cap/gown vendor will meet with our seniors to present information and material relative to June commencements. This will include gown rental, announcements and other graduation-related products available for purchase. Seniors will receive a brochure and order form on this day to take home. Extra brochures and order forms will be available in Student Services after the presentation. NOTE: Place your senior’s cap/gown order before Thanksgiving Break in November to avoid a late fee.

COLLEGE ENTRANCE EXAMS

Seniors who will be applying for admission to a 4-year college or university must submit ACT or SAT scores to these schools as part of the application process. Your SAT scores from the MME have been sent to the schools you identified on your registration form last April. Go to the schools’ website or see your counselor to learn which test you should take. IMPORTANT NOTICE REGARDING GRAPHING CALCULATORS

Students in Algebra 2, Algebra 2 in the Workplace, Pre-Calculus, AP Statistics, FST and Data Analysis will have the option of checking out a graphing calculator for use throughout the school year. The calculators will be checked out through the Media Center and treated the same as checking out a textbook. The fine is $120 for lost or broken calculators. It is the responsibility of each student to provide working batteries for their calculator throughout the school year. If there are financial reasons a student is unable to provide batteries, please have the student see their math teacher for batteries provided from the school.

The South Lyon Community Schools has adopted the following mission statement:

*In support of our community, the mission of the South Lyon Community Schools is to provide the highest quality educational process so that all students can excel as individuals and become contributing members of society.*

To accomplish our mission, the South Lyon Community Schools endorses the concept of Shared Involvement Process (SIP) as the necessary and appropriate means by which all educational decisions of the highest quality are most likely to be achieved at all levels. There are many benefits of the Shared Involvement Process, including: Improving the morale of staff; Focusing accountability for decisions; Bringing resources in line with school’s goals; Nurturing and stimulating new leaders; Increasing quantity and quality of communication; Increasing ownership into decisions to be made; Placing decisions at the closest level to those affected; and Promoting input of a greater and more diverse nature.

So … what is Shared Involvement Process (SIP)?

SIP is a process for soliciting, collecting, evaluating and using information and the expertise of educational partners for the purpose of making and implementing decisions that will improve or enhance student performance.

While the Board of Education has the ultimate responsibility for decisions in the district, it desires to delegate appropriate decisions to the administration and the SIP committees. Every building has a committee consisting of the building principal, a minimum of two teachers chosen in a manner acceptable to the staff, one support staff member, and a minimum of two parents and at least one community/business person if possible. Four students will be included at the high school level.

Committees meet at least once a month and deal with issues, including but not limited to the following: Updates on the school’s North Central Accreditation (NCA) process; Updates on the school’s Adequate Yearly Progress (AYP) planning, Budget decisions, Concerns and recommendations that are brought to the team from various stakeholders in the school community.

The building SIP committee may implement decisions that do not impact other buildings in the district, do not require the expenditure of more funds than are available in the approved budget and do not conflict with district procedures, policy, collective bargaining agreements or federal or state statutes.

**How do I learn about my school’s SIP Committee?**

SIP committees meet monthly and each school’s agenda and meeting minutes are posted on the South Lyon Community Schools website at www.slcs.us. Minutes are also shared in newsletters and the website.

The school’s SIP committee would like to provide parents and community members the opportunity to share questions, comments, or concerns. Feel free to contact a SIP member (names included with the minutes) and return it to the school’s office. Please be sure and sign your name so that a member of the SIP committee can be in contact with you.

If you’d like to be a part of the SIP committee or discuss issues, please contact:

- Karen Fisher, Principal (call during regular school hours or email at fisherk@slcs.us).
- Send a letter to the SLEHS addressed to the SIP Committee.
The MHSAA and SLCS Board of Education have established policies regarding eligibility for Extracurricular and Co-Curricular activities. These policies apply to all students who wish to participate in secondary (middle or high school) athletics, clubs, or outside of school performances and activities related to school courses (e.g., band or choir). An overview of the SLCS policy can be found below:

### SLCS Policy

<table>
<thead>
<tr>
<th>To establish eligibility at the end of a semester (June or January)</th>
<th>Students must have a minimum of a 1.7 semester GPA and <strong>no end of semester E’s or I’s</strong> from the previous semester. Incoming 9th grade students are automatically eligible at the start of the year and must maintain eligibility by passing 4 of the 6 classes throughout the season.</th>
</tr>
</thead>
<tbody>
<tr>
<td>If not eligible for fall co/extra curricular activities at the end of the second semester (June)</td>
<td><strong>Option #1:</strong> Students who are not eligible according to SLCS policy remain ineligible until at least the first eligibility check of the year to establish eligibility. Grades received for their current classes will be used to calculate GPA for eligibility purposes only. Students must have a current GPA of a 1.7 and no E’s at the time of the first eligibility check to establish eligibility. <strong>Option #2:</strong> If a student enrolls in and completes a pre-approved summer school class to re-establish eligibility, their GPA will be re-calculated upon completion of the course and pending documentation. Note: Transcript will reflect credit, but the grades for online classes are not used in the calculation of the official cumulative GPA. Courses must be completed, and grades documented prior to the start of the season.</td>
</tr>
<tr>
<td>If not eligible at the end of the second semester (January)</td>
<td>Students who did not establish eligibility at the end of the 1st semester according to SLCS policy are ineligible for a minimum of 6 weeks. Students have until the first eligibility check of second semester to establish eligibility. Grades received for their current classes will be used to calculate GPA for eligibility purposes only. Student must have a current GPA of a 1.7 and no E’s at the time of the eligibility check to establish eligibility.</td>
</tr>
<tr>
<td>To maintain eligibility during the semester after eligibility has been established</td>
<td>Students must pass 66% of classes (4 of 6) at eligibility check on the 1st each month.</td>
</tr>
<tr>
<td>If a student becomes ineligible at any point in the semester</td>
<td>Students have a 2-week window to regain eligibility by demonstrating they are passing 4 of 6 classes.</td>
</tr>
<tr>
<td>If a student has failed 3 or more courses at the end of a semester</td>
<td>Student is ineligible for 60 school days. GPA on the 60th day must be a 1.7 and the student must have no E’s to re-establish eligibility. If established, student can participate beginning day 61.</td>
</tr>
</tbody>
</table>

Official eligibility checks for all co and extra-curricular activities will occur on the first of each month (generally). At official eligibility checks, if a student is not passing 4 of 6 classes, that student becomes immediately ineligible to participate in any co or extra-curricular activities. After two weeks of ineligibility, a student can demonstrate that the academic eligibility requirements have been met by completing the required form. If eligibility requirements are not met after two weeks, a student will remain ineligible until the next official eligibility check. Coaches will be sharing these eligibility requirements with athletes and families throughout the 2019-2020 school year.

List of Potential Disclosures of Directory Information and Opt-Out Form

The Board may disclose appropriately designed “directory information” without written consent, unless the parent or adult advises the Board to the contrary by filling out, signing and returning this form to the District. The primary purpose of directory information is to allow the Board to include this type of information in certain school publications. The following is a list of uses for which the District commonly would disclose a student’s directory information:

<table>
<thead>
<tr>
<th>Description of the Common Use for Directory Information</th>
<th>Opt-Out (MARK WITH AN ‘X’ IF OPTING OUT)</th>

</tr>
</tbody>
</table>

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s or adult student’s prior written consent. In addition, two (2) Federal Laws require the district to provide military recruiters, upon request, with three (3) directory information categories, names, addresses, and telephone listings - unless parents or adult students have advised the district that they do not want their student’s information disclosed without their prior written consent.

While all other information concerning students of the District remain confidential and will be released only in accordance with the school District’s Student Record Policy, “directory information” will be released to a requesting party unless a parent or an eligible student advises the school District that such information should not be released regarding that particular student, by contacting the student’s building principal.
High school students and their parents/guardians may prevent disclosure of a student’s name, address and telephone number to military recruiting representatives (who can only use that data to provide information to students concerning educational and career opportunities available in the U.S. Armed Forces or service academies) by submitting a signed written request to that effect to the school principal.

The Board will make the above information available upon a legitimate request unless a parent, guardian, or adult student has opted-out of provision of this information in some or all circumstances by filling out, signing and returning this Opt-Out Form or notifies the school in writing within fourteen (14) days (refer to Policy 2416) from the date of this notification that s/he will not permit distribution of any or all such information. Directory information will not be provided to any organization for any profit-making purposes.

If you elect to opt-out of any of the above, please sign, print and return to the Building Principal, or you can follow the link on our webpage under On-Line Registration. If you do not wish to opt-out of any of the above common uses, you do not need to return this form or take any other action.

As approved by the Board of Education, the district has implemented a one-time annual fee for activities known as Pay to Participate Activities Fee. This activity fee will be charged to cover extra-curricular activities such as competitive marching band, debate, and various clubs. This does not include Athletics. Only students participating in an extra or co-curricular activity must pay the Activities Fee. The fee is to be paid once a year allowing students to participate in as many programs or activities as they choose. The fee is $50.00 for all high school activities.

Students participating in these activities must pay the fee at registration, and complete the form below. Please bring a check or money order payable to South Lyon East High School. This check will cover all extra and co-curricular programs for the entire 2019-2020 school year. If you need additional information, or have questions about the programs requiring a fee, please feel free to contact the East High School office at (248) 573-8700.

### ATHLETIC INFORMATION

We would like to congratulate our seniors and wish them success as they embark on the next chapter of their lives. Our graduating class was devoted to setting the example as to how teams should prepare and perform. We are extremely proud of them. For those students returning this year the following website will help you be prepared for the upcoming year. We would also like to remind you of our expectations. At South Lyon East High School we are dedicated to setting the example. We teach character and integrity in every aspect of sports, both on and off the field. We are extremely proud of our athletes, coaches, fans and families and look forward to working together as we continue to set the standard for high school athletics.

- **Physical and Department Information:** To participate in any 2019-2020 athletic program, a student must have a physical given after April 15, 2019 on file with the athletic office or given to the coach. For more information regarding academic eligibility, coaching, contacts, physicals or forms, please check out the Athletic Department website at www.slc.us. Under schools then choose Athletics.
- **Athletic Participation Fee:** Athletic participation fees are $180 per sport, per athlete with a family cap of $850 per year. All athletic fees are payable to “South Lyon East Athletics.” Please visit the athletic website for online sports registration information.

Parking Applications:

Students with a valid Michigan Driver’s License are eligible to purchase a parking permit. They will need to complete the parking application for a parking sticker. The completed parking application form, current vehicle registration, current proof of insurance and $45 should be brought to registration. **The sticker you receive must be displayed properly**—affixed to the inside lower corner, driver’s side windshield. Only the student or student’s parent will be permitted to purchase a parking pass for the student. Parking spaces are assigned in numeric order. Checks should be made payable to South Lyon East High School. Spaces will be assigned on a first-come, first-serve basis beginning with Senior registration.

Students who occasionally drive to school may pay $1, on a limited basis, as a daily rate. They will report to the main office to register their car and pay the $1 fee. Parking is available for purchase throughout the year until all spaces have been sold.

Students who apply for, and receive a parking sticker will be allowed to park in the student lot only. Students may pay only in their assigned parking space or will lose their parking privileges.

1. Only cars with authorized stickers may enter and park in the student lot. Students may obtain stickers in the main office after completing the application process. Students parking on school grounds without an authorized sticker are subject to disciplinary action up to and including the suspension.

2. The registered vehicle must display the parking sticker at all times, permanently affixed to the windshield, on the inside lower corner of the driver’s side.

3. While on school grounds, the vehicle may only be driven by the person to whom it’s registered.

4. Students are expected to follow all state and local ordinances. Speeding, reckless driving, ignoring posted signs, peeling of tires, chirping tires, driving on non-paved areas, parking in fire lanes, passing vehicles while entering or exiting the parking lot, parking in handicapped spaces without authorization, etc. will not be tolerated.

5. Once students have arrived at school, they are not allowed to go to the parking lot without permission.

6. **Students may not leave campus during the day in their vehicles.** Any student who uses his/her vehicle to assist another student in leaving school grounds before the end of the school day will be subject to disciplinary action.

7. Students who drive to Oakland Technical Center must have an OTC sticker and an SLEHS sticker.

8. As a condition of allowing students to park vehicles on school premises, the vehicle may be subject to search if the district has reasonable grounds to believe that the vehicle contains drugs, alcohol, weapons, or other items constituting a violation of school rules or the law. Also, the Board authorizes the use of canines trained in detecting the presence of drugs or devices. Canine detection will be conducted in collaboration with law enforcement or other certified entities.

9. Any changes regarding student vehicles, i.e., license number, etc. must be reported immediately to the main office.

10. Failure to comply with any of these rules may result in disciplinary action up to and including permanent loss of parking privileges, with no refund of the parking fee. Students driving unregistered vehicles, and students not eligible to park on school grounds, will be assessed a $1 daily fee, and may be subject to disciplinary action ranging from detention to suspension.

**NOTE:** All students must park in the student lot—students who park in the staff lot or visitor lot will be subject to disciplinary action.
