Emergency Information
Please verify or make corrections to the emergency information in Skyward via the online registration process as completely as possible with home, cell and work phone numbers, doctor’s names and telephone numbers, and the names and numbers of friends or relatives we can contact in an emergency if parents cannot be reached. Give us complete information on how to contact you during the day. Should a student become ill at school, we need to be able to contact parents/guardians in order to release the student from school. If you need to update your address, please see Page 8 for more information.

E-mail
Our primary means of communication will be electronic, therefore, it is imperative that you provide us with accurate, neatly-printed e-mail addresses for all parents/guardians.

Lockers
Students will be assigned individual lockers, and should keep their combinations confidential. Locker combinations are printed directly on student schedules. With this in mind, students should not be showing others their schedules. Students are not permitted to share lockers.

School Communications
Our primary means of communications will be electronic. Paper copies of some communications will be made available only if requested. Semester and year-end report cards will still be mailed home. If you have any questions, please contact your building principal.

School Pictures
All students, seniors included, must have pictures taken for ID cards. Students should come to registration prepared to have their picture taken. Hats may not be worn in school pictures. Information on prices for picture packages is included in this newsletter. Students wishing to purchase school pictures must pay for them at the time they are taken or online when you complete the back-to-school online registration process.

Yearbook Orders
Yearbooks may be ordered online at the following website: http://www.yearbooknerds.com/south-lyon-high-school-yearbook. There is also a link on our website at www.slcs.us. Once there, select Schools, then South Lyon High School. Please order early if you want to be guaranteed of getting a yearbook. A limited number of extra copies are ordered each year. Last school year, many students were not able to purchase one of these extra copies because we ran out.
Last spring, students had the responsibility to select appropriate courses for the coming school year. Students received recommendations from their classroom teachers, counselors, and parents before completing their program request. A master schedule was developed from these requests and every attempt was made to give each student the best schedule possible.

If the schedule you receive requires a change consistent with the reasons listed below, plan to see your counselor after you obtain your schedule at registration. If the student is unable to attend their registration session, a parent may come in the student’s place.

Reasons for schedule changes:
- Obvious errors or omissions of selected or required courses
- Not having six classes each semester
- Correction due to failure of a course
- Completion of a summer school course
- Placement at Oakland Technical Center
- Placement in Dual Enrollment
- Successful completion of an exam as part of the “Testing Out” program
- Prerequisites for a class are not met

Students requesting a schedule change should report to the Student Services office during their registration session to make an appointment with the counselors and complete a Schedule Change Consideration form. Since it is important that we hold to this schedule, it may be necessary to re-arrange work or athletic schedules in order to take care of this task.

Please Note: During the first week of school, only teacher-recommended changes will be made during the first week of school. Copies of the Schedule Change Consideration Form will be available at registration and in the Student Services office.

Visit the Career Center

All students are encouraged to make use of the Career Center located in Student Services. Our Career Development Facilitator, Mrs. Jane Miloch, works individually with students to identify career interests and aptitudes, as well as post-secondary opportunities. In the Career Center’s small computer lab, students will use a variety of programs to expand their knowledge of themselves, their preferences and their educational options. Students are able to sign up for an appointment with Mrs. Miloch in Student Services.

Dual-Enrollment

Dual Enrollment is an educational option for high school students that allows students to be officially enrolled in one or more college/university classes. These classes may be taken for high school and/or college credit. Eligible students must be qualified for endorsement through PSAT, SAT, or ACT scores. See one of the counselors in Student Services for additional information or to schedule courses.

Ordering Transcripts and Test Scores

**Transcripts:** Transcripts are ordered through Parchment Exchange and are sent electronically or by mail (if requested). Students should create an account at www.parchment.com, then follow the instructions to place an order and have transcripts sent. In most cases, there is no charge for this service. If a fee appears, contact Student Services (248-573-8160). Transcript requests are usually processed within 24 hours.

**Test Scores:** If you need to send your ACT or SAT test scores to a college, it is recommended that you have them sent directly from www.act.org (ACT) or www.collegeboard.com (SAT). Note: For those students in the Class of 2020, MME test scores from Spring 2019 will appear on transcripts beginning in late August 2019.
Important Information from STUDENT SERVICES

College Bound Seniors
Here’s a checklist to help you sort through the maze of college choices and prepare for the college applications:

1. You will meet with your guidance counselor in September (the Senior Exit Interview) to discuss your progress toward graduation and your plans for the following year.

2. Sign up to meet with college representatives who visit SLHS each fall. Plan to attend College Fairs held at nearby community colleges. Dates and times are available in Student Services.

3. Your SAT score from the MME is a college-reportable score that has been sent to the schools you specified on your registration form. If you decide to either retake the SAT or take the ACT, be sure to code the registration form to have your scores sent to the colleges to which you plan to apply. Requests for scores to be sent to other schools can be done through www.collegeboard.org or www.actstudent.org.

4. Apply online then request your transcript to be sent through www.parchment.com. Submit your applications in the Fall – even if you have not retaken the ACT or SAT. Colleges will evaluate your application and hold their decision until they receive your test scores. Don’t wait until you have taken your entrance exam to apply to colleges. Do it NOW!

5. Begin your scholarship search. Log on to one of several free scholarship database search engines. Check out the “Scholarship Book” in Student Services and contact college financial aid offices to ask about scholarship programs they administer.

6. Attend the annual Financial Aid night in the Fall (September 19, 2019 at SLEHS) to learn tips on how to complete the Free Application for Federal Student Aid.

7. Be sure to let your counselor know your final college choice!

College Entrance Exams
Seniors who will be applying for admission to a 4-year college or university must submit ACT or SAT scores to these schools as part of the application process. Your SAT scores from the MME have been sent to the schools you identified on your registration form last April. Go to the schools’ website or see your counselor to learn which test you should take.

Students are instructed to sign up in Student Services in advance of the scheduled meeting. These visits are open to both juniors and seniors.

HOW PARENTS/GUARDIANS CAN HELP: School & Community Expectations

Creating an environment where ALL students can be successful is a priority at SLHS. Please help us promote academic success AND personal responsibility.

**DAILY ATTENDANCE.** High school course requirements are rigorous, and attendance is directly related to success. Students must be in class in order to be successful.

➡️ **What Parents/Guardians Can Do:** Please try to arrange personal appointments for non-school days/hours. Call the Attendance Line (248-573-8145) when your student is absent, and hold your student responsible for making up missed assignments.

**BE ON TIME AND PREPARED.** Teachers and other staff work hard to deliver the curriculum and assist students. High school students are expected to be respectful of instructional time. Being in class from start to finish, readiness of homework and necessary materials, active listening and class involvement are required habits for real learning.

➡️ **What Parents/Guardians Can Do:** Expect your student to seek out the teacher’s help if they are in need of it. Expect homework and graded assignments to be brought home for your review. Monitor Skyward for grades, tardiness and attendance. Contact the teacher directly any time you have a concern about your student, especially early in the grading period so you have time to work with your student on any improvements needed.

**DRESS FOR THE SCHOOL SETTING:** Our school dress code is found in the Student/Parent Handbook/Planner. Students will not be permitted to attend class if they are not dressed appropriately for the school environment.

We appreciate your support and partnership in maintaining an environment centered on student learning. As in the home and community, poor decision-making and not meeting expectations may result in loss of privileges and progressive consequences for our students.

ADVISORY HOUR

SLHS implements an Advisory Hour during the Tuesday school day. The purpose of the advisory hour is to provide an opportunity for students to receive academic support during the school day by teachers working within the curriculum of their courses. Tuesday’s Advisory Hour follows 2nd hour, with shortened classes the remainder of the day. The school day will still begin at 7:20 am and end at 2:13 pm. Students will have the opportunity to:

- go to one of their classes to get additional help
- make-up or redo/retake quizzes, tests, etc.
- work on homework and projects

This additional time will be used to enhance a student's curricular program. It is our expectation that the Advisory Hour is to be productive for all students, and during this time, every student must be in a location that promotes learning.

**TRANSPORTATION 248-573-8900**

**CRITERIA.** Secondary (6-12) students who live one and one-half (1-1/2 miles) or more from the school which they attend shall be eligible to be transported to school. Elementary (K-5) students who live one (1) mile or more from school shall be eligible to be transported. Under normal conditions, elementary students shall be expected to walk up to one-half (1/2) mile and secondary students up to one (1) mile to a bus stop. Walking distance is the linear measure of the shortest prescribed or authorized pedestrian route from a point at the curb or edge of a public road nearest the student’s home to the bus stop or to the entrance of the school property closest to the student’s home.

**BUS STOP ASSIGNMENTS.** Just prior to the start of the 2019-20 school year, your student’s busing info will be on your student’s Skyward account. A Skylert will be sent to families near the end of August to inform you when busing info is live on your student’s account. Parents and guardians are also reminded that late registrations, as well as many other factors, cause changes to bus routes as the school year begins. Requests for bus stop changes will be handled in priority order. Safety of stops, overloaded buses, and adding new students to stops will be given the highest priority. All other requests must be submitted in writing on the standard District forms (available on the website) and will be addressed as quickly as possible and as time permits.

**NOT PLANNING FOR BUS TRANSPORTATION?** PLEASE CONTACT THE TRANSPORTATION DEPARTMENT AT 248-573-8900 IF YOUR STUDENT(S) WILL NOT BE USING BUS TRANSPORTATION FOR THE 2019-20 SCHOOL YEAR. IF YOU ARE ELIGIBLE FOR BUS TRANSPORTATION BUT WILL NOT BE USING THE MAJORITY OF THE TIME, PLEASE CALL TO INFORM - YOUR STUDENT(S) CAN ALWAYS BE PLACED BACK ON THEIR BUS AT ANY TIME DURING THE SCHOOL YEAR. OUR VOICE MAIL RUNS 24/7 AND OUR OFFICE IS STAFFED FROM 5 AM TO 5 PM.

This will help with our counts and ultimately our routing since many high school students drive or are driven to/from school and do not require bus transportation. Informing us that your student(s) will not be using bus transportation does not mean that we will eliminate them from the route permanently. We will list them as “non-riders” and they can be listed as “riders” at any time, should circumstances change causing you to need busing service.
Attendance and participation are an essential part of the learning process and are considered necessary for academic achievement. In addition, regular (and punctual) attendance is an important trait of responsibility and self-discipline for students to develop. Excessive absences are disruptive to the educational process. Improved attendance will result in greater student success and more effective use of the teacher’s time. Good attendance is the responsibility of every student. It is also the student’s responsibility to complete assignments missed when an absence is necessary.

Parents must notify the Attendance Office by telephone within 24 hours to excuse an absence. The Attendance 24-hour message phone number is (248) 573-8145. Calls may be received 24 hours/day and on weekends. Calls to excuse an absence will not be accepted after 24 hours.

24-Hr Attendance Line: (248) 573-8145
Attendance Office: (248) 573-8150 x3203

Throughout the semester, parents are kept informed of their student’s attendance. If we do not receive a phone call excusing the student, a Skylert message will be sent for any unexcused absences. Please make sure your information in Skyward is correct and complete.

Further details about our attendance policy are printed in the Parent-Student Handbook. Parents with questions are invited to call the high school.

Tardiness to Class
SLHS students are expected to be on time for each class. Students have 6 minutes passing time between classes, and lockers and restrooms are in central locations. Students should minimize social time and utilize the first days of school to ensure they find the best hallway route to class. Class instruction begins promptly and should not be missed! Students who are frequently late to class without a pass will receive a consequence per the Code of Conduct, including an after-school or Saturday detention.

Please Report Absences by Phone
Please be sure to call the Attendance Line (which is a 24-hour message line) at (248)-573-8145, within 24 hours, to report any of the following:

• Your student will be absent from school (please spell your student’s name).

• Your student is arriving late or needs to sign out of school before the end of the day. Phone contact with a parent or other adult listed on the emergency card is necessary before we allow the student to sign out.

Calls are taken 24 hours a day and on weekends!

Going Out of Town?
Occasionally, students miss school for a family trip or vacation. While we recommend that such trips be scheduled during school vacations, we realize this is not always possible. If your student will be absent due to a family trip, please consider the following:

• For a pre-arranged absence of **5 days or more**, please pick up a pre-arranged absence form in the Attendance Office and check with your Assistant Principal

• Request homework from each teacher at least 3 days prior to the trip

• Turn in completed homework on the first day back from your trip

- the name of the school or school district the student attended prior to enrolling in South Lyon Schools

While other information concerning students of the district remains confidential, and will be released only in accordance with the school district’s Student Record Policy, “directory information” will be released to a requesting party, absent a parent or an eligible student advising the school district that such information should not be released with respect to that particular student by contacting Mr. Chad Scaling, in writing by October 14, 2019.

Parents may also prevent disclosure of a student’s name, address and telephone number to military recruiting representatives by submitting a signed written request to Mr. Chad Scaling, Principal by October 14, 2019.

**Free or Reduced Lunches**
Anytime during the year that there is a change in your income which you feel may qualify your student for free or reduced meals, please fill out an application. Families that qualified last year must fill out a new application beginning July 1, 2019. Applications are available on the district website at [http://www.slbs.us](http://www.slbs.us), as well as in the SLHS Main Office and Student Services. Please be assured that students receiving free/reduced meals are not identified as such; these students use the same keypad system as those who are prepaid or paying at lunch. If you have questions, or need help in filling out the application, please call Cherrie Myers-Trent-Myers at 248-573-8925.

**Student Safety Plan**
Occasionally, school systems have to send students home early due to weather conditions, power outages, boiler failure and so on. Please discuss this possibility with your students, and devise a plan for them to follow. Your plan might involve going straight home, or you may have a student who is going to take care of younger children until you get home. Please make sure your student knows the plan and follows it for their safety and your peace of mind.
STUDENT DRIVING/PARKING AT SCHOOL

Parking Applications:
At registration, students with a valid Michigan Driver’s License are eligible to purchase a parking permit. They will need to fill out the parking application for a parking sticker. The completed parking sticker application form, current vehicle registration, and $45 should be brought to registration. The sticker must be displayed properly - affixed to the inside lower corner, driver’s side windshield. Only the student or student’s parent will be permitted to purchase a parking pass for the student. Parking spaces are assigned in numeric order. Checks should be made payable to “South Lyon High School”. Spaces will be assigned on a first-come, first-serve basis beginning with senior registration.

Students who occasionally drive to school may pay $1, on a limited basis, as a daily rate. They will report to the Attendance Office to register their car and pay the $1 fee. Parking is available for purchase throughout the year until all spaces have been sold.

Students who apply for, and receive, a parking sticker will be allowed to park in the student lot only (south end of the building). Students may park only in their assigned parking space or will lose their parking privileges.

1. Only cars with authorized stickers may enter and park in the student lot. Students may obtain stickers in the Attendance Office after completing the application process. Students parking on school grounds without an authorized sticker are subject to disciplinary action up to and including suspension.

2. The registered vehicle must display the parking sticker at all times, permanently affixed to the windshield, on the inside lower corner of the driver’s side.

3. While on school grounds, the vehicle may only be driven by the person to whom it is registered.

4. Students are expected to follow all state and local ordinances. Speeding, reckless driving, ignoring posted signs, peeling of tires, chirping tires, driving on non-paved areas, parking in fire lanes, passing vehicles while entering or exiting the parking lot, parking in handicapped spaces without authorization, etc. will not be tolerated.

5. Once students have arrived at school, they are not allowed to go to the parking lot without permission.

6. Students may not leave campus during the day in their vehicles. Any student who uses his/her vehicle to assist another student in leaving school grounds before the end of the school day will be subject to disciplinary action. Additionally, student drivers who habitually arrive to school late may lose parking privileges.

7. Students who drive to Oakland Technical Center must have an OTC sticker and a SLHS sticker.

8. As a condition of allowing students to park vehicles on school premises, the vehicle may be subject to search if the district has reasonable grounds to believe that the vehicle contains drugs, alcohol, weapons, or other items constituting a violation of school rules or the law. Also, the Board authorizes the use of canines trained in detecting the presence of drugs or devices. Canine detection will be conducted in collaboration with law enforcement or other certified entities.

9. Any changes regarding student vehicles, i.e. license number, etc., must be reported immediately to the secretary handling parking.

10. Failure to comply with any of these rules may result in disciplinary action up to and including permanent loss of parking privileges, with no refund of the parking fee. Students driving unregistered vehicles, and students not eligible to park on school grounds, will be assessed a $1 daily fee, and may be subject to disciplinary action ranging from detention to suspension.

Note: All students must park in the student parking lot - students who park in the staff lot, Senior Center lot or anywhere other than the student lot will be subject to disciplinary action:

*First offense - loss of parking privilege for twenty (20) school days
*Second offense - loss of parking privilege for ninety (90) school days
*Third offense - loss of parking privilege for the remainder of the school year.

Penalties for serious offenses will be determined by an Administrator.
As approved by the Board of Education, the district has implemented a one-time annual fee for activities known as the Pay-to-Participate Activity Fee (or Spirit Fee). This activity fee will be charged to cover extra- and co-curricular activities as listed below. Only students participating in an extra or co-curricular activity must pay the activity fee. The fee is to be paid once a year allowing students to participate in as many programs or activities as they choose. The fee is $50 for all high school activities.

Students participating in these activities must pay the fee at registration. Please bring a check or money order payable to “South Lyon High School”. The South Lyon Community Schools has adopted the following mission statement:

*In support of our community, the mission of the South Lyon Community Schools is to provide the highest quality educational process so that all students can excel as individuals and become contributing members of society.*

To accomplish our mission, the South Lyon Community Schools endorses the concept of Shared Involvement Process (SIP) as the necessary and appropriate means by which all educational decisions of the highest quality are most likely to be achieved at all levels.

There are many benefits of the Shared Involvement Process including:
- Improving the morale of the staff
- Focusing accountability for decisions
- Bringing resources in line with school’s goals
- Nurturing and stimulating new leaders
- Increasing quantity and quality of communication
- Increasing ownership into decisions to be made
- Placing decisions at the closest level to those affected
- Promoting input of a greater and more diverse nature

**So what is Shared Involvement Process (SIP)?**

SIP is a process for soliciting, collecting, evaluating and using information and the expertise of educational partners for the purpose of making and implementing decisions that will improve or enhance student performance.

While the Board of Education has the ultimate responsibility for decisions in the district, it desires to delegate appropriate decisions to the administration and the SIP committees. Every building has a committee consisting of the building principal, a minimum of two teachers chosen in a manner acceptable to the staff, one support staff member, and a minimum of two parents and at least one community/business person if possible. Two eighth grade students will be included at the middle school, when deemed appropriate and four students at the high school level.

Committees meet at least once a month and deal with issues, including but not limited to the following:
- Updates on the school’s North Central Accreditation (NCA) Process
- Updates on the school’s Adequate Yearly Progress (AYP) Planning
- Budget decisions
- Concerns and recommendations that are brought to the team from various stakeholders in the school community.

The building SIP committee may implement decisions that do not impact other buildings in the district, do not require the expenditure of more funds than are available in the approved budget and do not conflict with district procedures, policy, collective bargaining agreements or federal or state statutes.

**How do I learn about my school’s SIP Committee?**

SIP committees meet monthly and each school’s agenda and meeting minutes are posted on the South Lyon Community Schools website at [www.slcs.us](http://www.slcs.us). Minutes are also shared in newsletters, at PTO meetings, etc.…

The school’s SIP committee would like to provide parents and community members the opportunity to share questions, comments, or concerns. Feel free to contact a SIP member or use the tear off sheet included with the minutes and return it to the school’s office. Please be sure and sign your name so that a member of the SIP committee can be in contact with you.

The district and SIP committees encourage all members of the school community to learn about Shared Involvement Process and support the mission of the district, achievement for all students. If you’d like to be a part of the SIP committee or discuss issues, please contact the following person:

- Chad Scaling, Principal
  - Call during regular school hours or e-mail at scalingc@slcs.us
- Send a letter to the high school addressed to the SIP Committee.

**Look for our SIP Committee agendas and minutes on the SLCS Website at [www.slcs.us](http://www.slcs.us)**

Head Lice Advisory

As you may be aware, in recent years the number of head lice cases has been on the rise across the country. Outbreaks are common in schools, especially in elementary schools. Head lice are insects which are easily transmitted either by direct contact, or sharing clothing or personal items like combs. They are 1/8” long and light to dark tan in color. The eggs, which are commonly called “nits” are smooth, plump and grayish white in color. They usually attach to the hair shaft and are hard to see and remove. Newly laid eggs are found within 1/4” from the scalp and are often found around the nape of the neck and behind the ears.

It is the district practice that a child with head lice must be excluded from school until one treatment at home has occurred. A student may come back to school provided the parent/guardian documents the treatment and upon examination by the school’s designee that any remaining nits are farther away than ¼” from the scalp. It is recommended that all nits be removed. There is information in the office on procedures for ridding a child of lice. The Michigan Department of Education, Michigan Department of Health, Oakland County Health Division, and the American Academy of Pediatrics support these practices.

If your child contracts head lice, your doctor or pharmacist can help as well as Oakland County Health Division at (248) 926-3300. Parents and guardians needing additional information may call our school nurse at the County Health Department (248) 926-3321.
South Lyon High School
Personal Electronic Devices Policy

South Lyon Community Schools recognizes that Personal Electronic Devices (PEDs) serve several important functions in our society and in ways that support student learning, organization, communication and instruction. However, these devices can also be a distraction to the learning environment. In consideration of the beneficial value and also the potential for misuse of these devices, this procedure has been developed to balance the integrity and instructional quality of our programs with the age and maturity levels of our students.

This shall include, but not be limited to the following:
A. Students will be allowed to use PEDs during passing and lunch periods.
B. Students will be considered "in-class" once the bell rings. A student who has permission to leave the class (going to office or restroom) is still considered “in class” and use of the PED is not acceptable.
C. PEDs must not be used and should remain turned off in emergency situations so as not to cause panic or disseminate incorrect information.
D. At no time is PED use permitted in bathrooms or locker rooms.
E. PEDs are the responsibility of the student. It is in the student's best interest to treat his or her belongings with respect and to protect them from damage and theft.
F. Each individual classroom teacher will establish expectations for PED use in their classroom. Expectations for proper use, and consequences for misuse, will be communicated to all students.
G. Misuse of PED will result in confiscation of the device. The device will be turned into the main office and parent/guardian will be required to pick up the device. Chronic misuse of PED will result in administrative disciplinary action.
   Failure to turn over the device to the teacher or administrator when requested will be considered insubordination resulting in disciplinary action.
H. Etiquette/Acceptable Use:
   The following basic etiquette rules are based on the following premises:
   1. Respect should be shown to the people immediately in front of you.
   2. There are many ways to gather information. Strategies taught in the classroom will range in practice and procedure. It is the expectation of South Lyon Community Schools that students will be exposed to various educational techniques and that some of these practices will include the use of technology to improve and enhance learning, and provide the necessary skills to be successful at a collegiate level as well as in the workplace.
   3. Security and safety for each and for all will take precedence over individual needs. Therefore, students must be respectful to the larger group in managing technology and its uses.

Cell Phones
1. Students will have their cell phones silenced during instructional time (no sound or vibration).
2. If in use during passing and lunch periods, students will excuse themselves from phone calls (hang up) and/or put away their phone when addressed by an adult.
3. Students will not take pictures or videos of any person without that person’s expressed permission.
4. Cell phone and texting conversations should be school-appropriate at all times.
5. Cell phones must not be used and should remain turned off in emergency situations so as not to cause panic or disseminate incorrect information.

IPods/MP3 players
1. IPods and MP3 players should be used with head phones and only the wearer should be able to hear the music, out of respect for those individuals around them. Content should not be considered private if you are listening during school time.
2. Both ear buds should come out of the ears when a student is in conversation with adults.
3. Ear buds should be removed in any and all emergency situations so as to be able to hear directions.
