

Aloha Algebra & Geometry Getaway

Summer Math Tutoring/Enrichment Program 2019

4 different classes designed for students entering 6th – 10th grades

Introduction to 6th Grade Math

This program is designed for students entering 6th grade in the fall. We will introduce them to math content that they will be learning in 6th grade. After completing our program, they will start the year with a solid foundation for middle school math.

Cost: \$250 – includes all materials

Days: Monday/Wednesday

7/8, 7/10, 7/15, 7/17, 7/22, 7/24, 7/29, 7/31, 8/5, 8/7

Time: 8:00 a.m. – 9:15 a.m.

Introduction to 7th Grade Math

This program is designed for students entering 7th grade in the fall. We will introduce them to some of the 7th grade standards. After completing our program, they will begin 7th grade with the prior knowledge and confidence to be successful.

Cost: \$250 – includes all materials

Days: Tuesday/Thursday

7/9, 7/11, 7/16, 7/18, 7/23, 7/25, 7/30, 8/1, 8/6, 8/8

Time: 8:00 a.m. – 9:15 a.m.

Introduction to Algebra

This program is designed for students entering 8th or 9th grade and enrolling in Pre-Algebra or Algebra. We will pre-teach the many essential Algebra standards so they have a great foundation. Students that have already had Pre-Algebra will be taught additional Algebra concepts if they are ready. We always make sure every student is challenged.

Cost: \$250 – includes all materials

Days: Monday/Wednesday

7/8, 7/10, 7/15, 7/17, 7/22, 7/24, 7/29, 7/31, 8/5, 8/7

Time: 9:30 a.m. – 10:45 a.m.

Introduction to Geometry

This program is designed for students enrolling in Geometry in the fall (9th/10th grades). We will preview the language of Geometry as well as an introduction of the most popular theorems and postulates that will provide students with the tools they need for a successful year.

Cost: \$250 – includes all materials

Days: Tuesday/Thursday

7/9, 7/11, 7/16, 7/18, 7/23, 7/25, 7/30, 8/1, 8/6, 8/8

Time: 9:30 a.m. – 10:45 a.m.

Additional Information: All four programs are created and taught by two math certified teachers currently teaching at CMS. Class sizes are limited and registration is on a first come first serve basis. Partial payment is required to reserve your space in the program and full amount is due prior to the first day of class. There will be no refunds or cost adjustments for missed classes or dropping out of the program. When a student misses a class we work with them to get them caught up on the material. All classes are held at Glazy Days, 22896 Pontiac Trail (King Plaza). The program is not affiliated with Glazy Days or South Lyon Community Schools.
