

Join the Flying Toasters Robotics Team!

South Lyon Unified High School Robotics Team
Team 3641

Who They Are

The Flying Toasters is a FIRST Robotics team based out of South Lyon going into their ninth year. The team is about *more than just robots*. If you are interested in **Business, Volunteering, Scouting, Designing, Machining, Programming, and more**, then this is the team for you! It is the perfect opportunity to learn more about *Science, Technology, Engineering, Art, and Mathematics*, even if you have had no prior experience!
