

IMMUNIZATIONS

The BUILDING BLOCKS of Health

HEALTH DIVISION

OakGov.com/Health

Protect your kids from these diseases:

- Polio
- Diphtheria
- Tetanus
- Pertussis
- Measles
- Mumps
- Hepatitis A
- Rubella
- Hepatitis B
- H. Influenzae (HIB)
- Chicken Pox
- Pneumococcal
- Influenza
- Rotavirus
- Meningitis
- Human Papilloma Virus

Your child's immunization information will be sent to the Michigan Childhood Immunization Registry to enable medical providers to obtain accurate immunization information for your child.

IMMUNIZATIONS

The BUILDING BLOCKS of Health
