**Building Para-Educator
Job Description
2017-2018**

Job Summary: The primary goal of the building para-educator is to support individual elementary building communities in a variety of ways.

Major Tasks and Responsibilities

Health

- Supports implementation of Emergency Medical Care Plans
- Supports implementation of Health Related Section 504 Plans
- Receives medications in accordance with District policy and procedures and keeps accurate documentation of medications received
- Consults with RN regarding physician recommended dosage, schedule for administration, how to monitor for potential side effects, and other pertinent data regarding medication
- Administers and records each administration of medication as required by the District and individual healthcare plans and per District policy
- On a timely basis, notifies RN and District administration of serious incidents, significant health problems
- Reports all suspected abuse/neglect as mandated
- Performs all other health-related work delegated or required at each building as assigned by building and District administrators
- May NOT perform any procedure which is prohibited by any law or regulation.

Academic

- Supports implementation of specific fine motor tasks (e.g., cutting and pencil grip)
- Supports implementation of academic support interventions
- Reinforces literacy skills
- Implements specific sensory motor activities

Social Emotional

- Implements positive behavioral interventions
- Implements preventative and supportive interventions (with CPI training)
- Assists with visual schedules and supports throughout the school

General

- Maintains confidentiality of student information
- Seeks clarification of directives as necessary
- Works collaboratively and accepts direction from administration
- Satisfactory oral and written communication skills

- Reviews and follows all Board of Education Policies and expectations.
- Duties as otherwise assigned.
