

Viewing Your Open Enrollment Form

Open Enrollment materials are available for viewing during the open enrollment period chosen by your School Business Office. Review your coverage elections carefully to determine if changes are needed. To make changes, print a copy of your Open Enrollment form, indicate your changes, sign and date the form and return it to your School Business Office for approval. Once the School Business Office approves your selections, your completed Open Enrollment form will be submitted to MESSA for processing.

The screenshot shows the MESSA website home page. At the top left is the MESSA logo with the tagline "Good health. Good business. Great schools." and a search bar. A blue navigation bar contains links for "Members", "Business Offices", "Plans & Services", "Health Resources", "About Us", and "Contact Us". Below the navigation bar is a yellow banner for "Worksite Wellness Conferences" with a "Read more..." button. A red arrow points from the "Members" link to the banner. To the right is a "Member Sign-In" section with fields for "Username" and "Password", a "Login" button, and links for "Forgot Username or Password?" and "Register Now". A red arrow points from the "Login" button to a green callout box. Below the banner is a "News" section with a "Helpful Links" section. A green callout box points to the "Members" link in the navigation bar.

Click on Members and you will see the log-in page below.

Enter your username and password.

There are two ways to log in to your account, you can enter your username and password on the www.messa.org home page or click on Members and log in on the page shown on the next page.
