Reconfirmation Meeting for March 2021:

Reconfirm how instruction will be delivered for each grade level:

Elementary (Grades JK - 5):

Elementary school students will continue in their current pathway- Hybrid In-Person/Remote or the Virtual Learning Pathway. Students in the Virtual Learning Pathway will continue with 5 virtual learning days each week until the end of the school year.

Elementary students in the Hybrid In-Person/Remote Pathway will continue utilizing a model which includes attending school four full days in-person on Monday, Tuesday, Thursday and Friday. This group will attend school remotely on Wednesdays. This mode of instruction will remain in effect for the remainder of the school year.

When needed, in-person instruction (for students, classrooms or schools) will be transitioned to remote instruction in response to COVID-related or other unforeseen circumstances.

Middle School (Grades 6 - 8):

Middle school students will continue in their current pathway- hybrid in-person/remote or the Virtual Learning Pathway. Students in the Virtual Learning Pathway will continue with 5 virtual learning days each week until the end of the school year.

A transition period, which began on Monday, February 8th, allows middle school students in the Hybrid In-Person/Remote Pathway to opt to attend the other two in-person instruction days in addition to their two regularly assigned in-person days (which were based on last name). Under this model, students can attend up to four in-person days (Monday, Tuesday, Thursday, and Friday). Wednesday is a fully remote day for all students.

Beginning on March 8th, all middle school students in the Hybrid In-Person/Remote Pathway will attend the four in-person instruction days unless they are quarantined or otherwise ill. Wednesday will continue to be a remote day for all Hybrid In-Person/Remote Pathway students. This mode of instruction will remain in effect for the remainder of the school year.

When needed, in-person instruction (for students, classrooms or schools) will be moved to remote instruction, 50/50 hybrid with cohorts, or the transition period (hybrid without cohorts) in response to COVID-related or other unforeseen circumstances.

High School (Grades 9 - 12):

High school students will continue in their current mode of instruction- Hybrid In-person/Remote or the Virtual Learning Pathway. Students in the Virtual Learning Pathway will continue with 5 virtual learning days each week until the end of the school year.
