Senior Photo Quick Shoot:

- Dates: October 10th and 11th, 2023

• If you do not plan to have professional senior portraits taken, but you would still like to have a professional headshot taken for the yearbook and the Senior Class Composite photo, Prestige will be at SLHS for “Quick Shoots” at a cost of \$20 per student. This will take place in the Commons. The proof will be mailed home and the professional headshot will be included in both the yearbook and the composite photo. **A sign-up form will be sent out via email in September, so please keep an eye out for this.**

• **NOTE:** If you are participating in the Quick Shoot, you do not have to submit a photo for the yearbook. **Prestige will select the image** and send it to the yearbook advisor.

Important Notes:

- All students using a photographer other than Prestige need to have their senior portrait submitted by **October 20, 2023**.
- If you do not submit a senior portrait, your school portrait will be used. If you did not have a photo taken during registration, we will use your portrait from last year.
- Again, we accept photos from all studios and individuals, as long as they meet the specs and they are turned in on time. A release form is required in order to be included on the senior composite photo. Please email a release from your photographer to bewersdorfm@slcs.us or have your senior drop off a printed copy to room B142.
