The Board of Education has established a program of instruction, which includes HIV/AIDS and other serious communicable disease prevention education and sexuality education. Enclosed is an outline for the units of study in each of the above content area(s).

According to Michigan law, you have the right to review the materials and curriculum content to be used in HIV and other serious communicable disease prevention education, as well as sex education. The local board of education, in compliance with the statute, has made the materials and curriculum guides available for your review. If you are unable to make the open preview session and wish to review the materials or curriculum content, please contact the district at 248-573-8600 to arrange a time for your review. You also have the right to observe instruction in your child's classroom. If you wish to do this, please call 248-573-8600 to make arrangements.

This statute allows you to excuse your child from participation in the classes that include HIV and other serious communicable disease prevention instruction, as well as sex education if you choose. If you wish to exercise your right to excuse your child from instruction without penalty, please send written notice to the principal of your child's school before OCTOBER 4, 2019.
