4. SLCS EXTENDED COVID-19 LEARNING PLAN RECONFIRMATION *Enclosure 1*

Background Information: The Extended COVID-19 Learning Plan was presented to the Board of Education on September 21, 2020. The Oakland ISD approved the district’s Extended COVID-19 Learning Plan on September 30, 2020. We are required to reconfirm, once every thirty days thereafter, the instructional delivery method, along with reviewing the weekly two-way interaction rates. At this time, the administrative team is not recommending any changes to the instructional delivery method. Our weekly two-way interaction rates are included in the report and are well above the required 75%.

Recommended Action: Approve the continuation of the instructional delivery method as described in the Extended COVID-19 Learning Plan.
