Background Information: At the September 21, 2020 Board of Education meeting, the Board approved the district's Extended COVID-19 Learning Plan. We are required to reconfirm, once per month thereafter, the instructional delivery method, along with reviewing the weekly two-way interaction rates.

The administrative team is recommending shifting the hybrid in-person/remote pathway to fully remote instruction beginning Thursday, November 19, 2020. A fully remote model will continue through at least January 8, 2021 with a tentative return on or after January 11, 2021. Wednesday, November 18 will be a workday for teachers.

Our weekly two-way interaction rates are included in the report and are well above the required 75%.
