

2017/18 – Online Back to School Process Information

As this school year is coming to a close, the middle schools are planning for the upcoming 2017-18 school year. We will once again be using our **Online Back to School Process**. Families will have the ability to update or change student information, receive important documents, register for school communications, print student schedules and enter emergency contact information.

Beginning the week of August 1, 2017, the online back to school process will be made available to parents/guardians through Skyward Family Access. If you don't have or don't know **YOUR** Skyward Family Access login and password (NOT YOUR STUDENT'S ACCOUNT), please go to: <https://skyward.iscorp.com/scripts/wsisa.dll/WService=wsedusouthlyonmi/fwemnu01.w> Click on "Forgot your Login/Password?" and follow the prompts.

There will NOT be a packet mailed home this summer, and there will NOT be a schedule pickup/picture day in August.

Please watch for a skylert with registration information at the end of July or check the Centennial Middle School webpage for information:
http://www.slcs.us/schools/centennial_middle_school/index.php

Students will be able to see their class schedules and locker assignments at the end of August through the Skyward Student Access, after the process is complete.

Centennial Middle School will be open **August 30th and 31st** for students to walk around the building and find their classrooms and lockers.

This process is designed for **all** currently enrolled South Lyon Community Schools students planning on attending middle school for the 2017-18 schoolyear.
