Good Afternoon,

Our Food Distribution program will continue tomorrow with some adjustments. We will be delivering the meals to a number of locations on a school bus. South Lyon High School will be the only pick-up location that we will have tomorrow, Wednesday, April 1st. We are doing this in an effort to make this easier for families. Please consider allowing us to bring the meals to the location nearest to you. Anyone can get meals at any location. As a reminder, this is for ALL children through the age of 18 and up to 26 for a student with an active IEP.

Please keep the social distancing guidelines in effect at all locations. Keep a safe distance from the next person at every site. Our team of volunteers will place the meals in an area to pick up in an effort to keep everyone safe. All of our employees and volunteers undergo a screening process daily to ensure that they are in appropriate health prior to serving in this capacity. We also ask that one individual pick up the food for each family. We want to avoid more than one person per family picking up food as this causes safety concerns for all involved.
